

# Paideia School Beginner/Intermediate Robotics Workshop

If you enjoy arts and crafts and also want to learn the basics of coding and robotics, this is the workshop for you! Using birdbrain technology (hummingbird kits) and every day crafts, we will design simple robots. Whether you have some experience or none, there is a place for you in this super fun workshop. Rising 6<sup>th</sup> – 9<sup>th</sup> graders only.

---

July 30 – August 3, 2018

11:15AM – 1PM

Room # High School, Room 2 (next to computer lab)

6 – 10 students

---
